# A MESSAGE FROM THE MAYOR

I would like to take this opportunity to wish all of you and your families the very best in the New Year. I hope you had a joyful holiday season surrounded by loved ones.

This year, it is an honor to dedicate the 2026 Waldwick Calendar to the 250th Anniversary of the United States of America.

On July 4, 2026, our nation will commemorate the 250th anniversary of the signing of the Declaration of Independence. This historic milestone offers an opportunity to pause and reflect on our nation's past — to honor the contributions of all Americans — and to look ahead to the future we wish to create for the next generation.

Across the country, Americans are planning ways to celebrate this semi quincentennial anniversary. Here in Waldwick, the Borough along with local non-profits and community organizations will be marking the 250th Anniversary by highlighting Waldwick's history through a series of special events for all to enjoy. We look forward to sharing more information as plans are finalized.

As we enter 2026, let us be thankful for our blessings and remember those who are less fortunate. To our Waldwick Veterans, thank you for your service to our country and community. To our seniors, thank you for your examples and wisdom. And to our young residents, thank you for your optimism and hope for the future.

I would like to thank Councilwoman Michele Weber and Councilman Mark Ramundo for serving on the Borough Council. Your hard work, dedication, and tireless efforts on behalf of Waldwick residents are deeply appreciated. We are truly going to miss you both.

To Chief Mark Messner, thank you for your 36 years of service to our Police Department. Enjoy your retirement. And thank you to Steven Neale, who left his role as Borough Administrator in September.

Congratulations to Angela Smith and Alyson Courtney Wingate on being elected to the Borough Council. I look forward to working alongside you, and with the entire Council, as we continue to serve the residents of Waldwick with integrity and commitment.

I also want to welcome our new Borough Administrator, Tatiana Marquis, and our new Police Chief, Troy Seifert, and wish them great success in their new roles. I look forward to working with both of you as we strengthen Waldwick even further.

To the residents of Waldwick — your enthusiasm, volunteerism, and compassion are our greatest asset. Whether serving on boards, organizations, or clubs, you embody the spirit that makes Waldwick a true community — one where people care for one another and take pride in living, working, and raising families together.

This past year has been exciting for Waldwick. We continue to move our community forward through the hard work of our Council, Administrative Staff, Borough Employees, and Volunteers.

As a governing body, we will continue to make bold decisions and pursue progress on programs and policies that not only save taxpayer dollars but also strengthen our reserves, improve services, and enhance the quality of life for all residents. The year ahead will bring new challenges and new opportunities, and together we will face them with the same compassion and dedication that defined the past year. No one stands alone in Waldwick — we all stand together.

Waldwick is a great place to live, work, shop, raise a family, and be part of a caring, multi-faceted community. We are proud of the many services available to our residents, many of which are highlighted in this calendar.

To our local businesses — thank you for investing in Waldwick and for being part of our Waldwick family. Remember: Shop Local, Shop Waldwick!

I still believe that our best days lie ahead. Let us continue working together to make Waldwick more united, more prosperous, and a place where family traditions, values, and community pride thrive.

May 2026 be a year filled with adventure, success, happiness, and good health for all. "Learn from yesterday, live for today, hope for tomorrow." — Albert Einstein

Onward Together, Mayor Tom Giordano

## PROPERTY TAX APPEAL

IF YOU LITTER  
IN THE STREET,  
YOU MIGHT AS WELL  
LITTER IN THE RIVER.

Rain washes pollutants into storm drains  
and directly into our lakes,  
rivers and the ocean.  
So what can you do?

[www.cleanwaterNJ.org](http://www.cleanwaterNJ.org)

## WHAT'S THE PROBLEM WITH LITTER?

When was the last time you saw someone littering? Litter just doesn't appear — it's the result of careless actions. No matter where litter is discarded, it usually ends up in the street, where it washes down storm drains and ultimately flows to local waterways.

Littering is not only unsightly, it's a threat to wildlife and their habitat. Before you flick a cigarette butt out of your window or throw out a plastic bottle, consider this: Cigarette filters have been found in the stomachs of marine life, birds, and other animals, because they thought it was food. Birds and marine life have also been found trapped or tangled in plastic items such as six-pack drink holders, plastic bags and fishing line. Please be considerate, and protect our wildlife and our water.

### YOU CAN HELP!

- Set an example for others, especially children, by not littering.
- Carry a litterbag in your car.
- Make sure trash cans have lids that can be securely fastened.
- If you have curbside trash collection, don't put loose trash in boxes.
- Prevent trash cans from being knocked over by the wind and animals.
- Tie papers in a bundle before placing them in a curbside recycling bin.
- If you own a business, check dumpsters daily to see that top and side doors are closed.
- If you or a family member is involved in a civic group, scouting, or recreational sports program, encourage the group to "adopt" a spot in your town and maintain it on a regular basis.
- Report areas where people have illegally dumped garbage and debris and ask that the material be removed.
- Volunteer to help organize a cleanup.

## WHY SHOULD YOU CARE ABOUT CLEAN WATER?

Stormwater pollution is one of the greatest threats to New Jersey's clean water supply. Clean water provides access to safe drinking water, places for recreation, commercial opportunities, healthy wildlife habitats, and adds beauty to our landscape. Rain washes pollution from streets, parking lots, and lawns into storm drains, then directly to our streams, rivers, lakes and the ocean.

Did you know more than 60 percent of water pollution comes from things such as motor oil, fertilizers, pet waste and detergents? By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater.

# TAX & WATER

**Property Tax and Water bills are due four times a year – February 1, May 1, August 1 and November 1.** The Borough offers taxpayers a 10-day grace period; after that, interest is assessed back to the first day of the due date.

Tax and Water payments can be mailed to Waldwick Borough Hall, PO Box 65, Waldwick, NJ 07463 or placed in the drop box located outside of the Administration building. Taxes and/or Water may also be paid online, [www.waldwicknj.gov](http://www.waldwicknj.gov) under Online Payments. Cash payments may be made for exact payment amounts. No change can be issued.

**Online Checking:** If you use your own banks online bill pay system, please make sure that you have your account number or block and lot number in the memo section. Allow for extra time when making this payment. Your check is mailed to us by your bank.

**Checks:** To avoid having your check returned due to errors and causing a delay that may cause interest charged for late payments, follow these instructions:

- Make checks payable to Borough of Waldwick.
- Make sure that the written amount matches the numerical amount.
- Make sure that the check is signed.
- Place block and lot numbers or the account number in the memo section of the check.

**ACH Withdrawal Program:** The Borough of Waldwick is now accepting tax and/or water payments via automatic withdrawal from your checking or savings account. This service assures your payment will be received in a timely manner. Funds are withdrawn on the last day of the 10-day grace period. There is no fee for this service.

If you are interested in this convenient payment method, submit a completed enrollment/authorization form along with a voided check. You can download the Automatic Tax & Water Payment form from our website, [www.waldwicknj.gov](http://www.waldwicknj.gov), under Forms. Otherwise, call our Tax and Water Department for assistance.
