A motion for the approval of the March 4, 2026 Minutes was made by Mr. Fink and seconded by Mr. Ramundo. The Minutes were approved as submitted.

RESOLUTIONS:

None

APPLICATIONS:

None

NEW BUSINESS:

-Mr. Vervoort encouraged the Board members to view the Best Practices training video.

-Mr. Ramundo brought up the potential hazards for firemen and occupants in underground parking of both charging and parking of cars with lithium batteries. He suggested the Planning Board recommend to the Mayor and Council to look into limiting underground and car parking. Mr. Singer noted that this can be brought up to the Borough and further noted that it is being found that there are structural issues as well as the cars are double the weight of regular cars and exceed the load.
